Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: I support the proposed change of name for the electorate in which I vote, to be renamed ODonoghue in recognition of Lowitja ODonoghue and her contributions to South Australia and for First Nations people. It feels particularly pertinent as she was born on APY lands country.
It feels fitting, that during a boundary redistribution that the electorate be renamed to honour and recognise such an influential and important woman in our recent history.
The electorates existing name has paid respect to Mr Grey for an extended period and the time is right for change.
