## Submission on the proposed South Australian redistribution details

**Category:** Boundaries  
**Details:** Keep the suburban areas of Kingston and Boothby in a suburban electorate. Moving the suburbs of Happy Valley, Aberfoyle Park and Coromandel Valley, etc into Mayo is a bad idea that will disadvantage voters in these suburban areas. Mayo is a Hills focussed electorate with very specific local issues so these small pockets of suburbia will be forgotten and will lack proper representation in a larger hills electorate.
