To whom it may concern. I am a 7th generation Australian citizen & not happy about changing the name of the Seat of Grey. The name Grey is part of our state's history. I am also sick of "Sleazy" & his Labour cohorts bending over backwards in their Quest to gain the Indigenous vote to "appease" them, They already have more rights in this wonderful country of ours than us caucasians. I am of the opinion that changing the name of the seat of Grey is an insult to all who settled here in 1836 & who currently reside in this seat. The Results of the referendum on "The Voice" should have told "Sleazy" the message very clearly. If a vote would be taken on this Subject in Grey, I am sure the result would "NO CHANGE"
