Submission on the proposed South Australian redistribution details

Category: Boundaries

Details: The redistribution of the Kingston areas of Aberfoyle Park and Happy Valley into Mayo should not go ahead. The other areas proposed are fine. However the Aberfoyle Park and Happy Valley areas are suburban areas of Adelaide, while Mayo represents a rural population. The views and wishes of these areas will not be properly represented by a Mayo electorate. The views and wishes of the area are far more closely aligned with the neighbouring areas of Kingston. Redistribution of these areas into Mayo are therefore strongly opposed as it will not meet the needs of the community.
