Submission on the proposed South Australian redistribution details

Category: Names and Boundaries

Details: As a 70 year old citizen of South Australia I am absolutely against any changes. The changes are unnecessary and costly. Even slight changes will incur substantial and significant cost to the taxpayer. There is a current cost of living crisis everything we rely on for living in a over inflation there is mammoth debt. It's job creation and indulgence at best at worst it negligent of this to even be considered at this or anytime. Looking at the advertisement to contact you is substantial and the idea of huge amount being spent on this indulgences. Apart from the pathetic virtue signalling with the name changes. If it ant broken don't fix it at the taxpayers cost. Sincerely
Philip Jones.
