The objections to the proposed redistribution seek to catastrophically split major communities of interest in Ringwood and Croydon within the City of Maroondah.

Maroondah City Council reiterates its earlier submission that strongly opposes the fracturing of communities of interest across the City of Maroondah or that would significantly split either the Ringwood Metropolitan Activity Centre or Croydon Major Activity Centre. Council is particularly keen to ensure that communities of interest are not split, or portions of the community disadvantaged through dislocation from natural/behavioural centres of attraction.

We therefore strongly support the AEC's proposed redistribution which appropriately keeps Ringwood and Croydon communities of interest united and which unites Warranwood so that the entirety of the City of Maroondah is within the Deakin electorate.
