WA Enquiry

Name: Hedger, Michael Albert

Organisation:

Phone: [REDACTED]

Question: The WA redistribution should be fairly straight forward with expanding the boundaries of both metropolitan and regional seats except for Pearce, which must lose many voters to neighbouring Durack to bring them both to fairer numbers. Because of the relatively slower growth of the south eastern Perth suburbs, my suggestion is that the seat of Swan be abolished, leaving Tangney to expand to a more equitable size, while maintaining the recognition of a WA stateswoman.
