

Voter services – Remote voting – Radio SCRIPT

Voice over:

Your vote will help shape Australia.

We are making voting as easy as possible by sending voting teams to take votes in many remote areas.

All Australian citizens aged 18 years and over are required by law to vote.

Make sure you're ready.

To find out when voting teams will be near you, visit aec.gov.au, check your local newspaper or call one-three, two-three, two-six.

Authorised by the Electoral Commissioner, Canberra.
